

HAMILTON HARRIERS COMMITTEE MEETING MINUTES

Monday 26th October 2009

Doonin Pub, Blantyre, 7pm

- | | |
|-----------------------------------|--|
| 1. PRESENT | John Berry (JB), Andy McLinden (AMc), Roy Foot (RF), David Hay (DH), Lynn Kelly (LK), Peter Middleton (PM), Lynn Knox (LKn) |
| 2. APOLOGIES | None |
| 3. PREVIOUS MINUTES | The minutes of the previous meeting were accepted. |
| 4. HALF-MARATHON HANDICAP | The date for the handicap has been changed to Sunday November 15 th (the 8 th November had been agreed previously). This was to allow members to participate in the Glasgow University 5-mile race. |
| 5. CHRISTMAS HANDICAP 2009 | The catering arrangements are still to be clarified. |
| 6. AOCB | <p>Lottery funding:
Members are asked to consider ideas to support the application for a lottery grant. The idea should assist the development of the club and also demonstrate the positive impact the club has on the local area.</p> <p>SLAP (South Lanarkshire Athletics Partnership)
The club had received an invitation to a SLAP meeting to discuss the development of children's athletics in the area. It was noted that as HH do not accept members below the age of 18 years, the meeting would have little relevance to the club and would conflict with other arrangements.</p> <p>New Club House:
A discussion surrounding the use of Uddingston Cricket Club as a club house for the Hamilton Harriers ensued. The main points were:</p> <ul style="list-style-type: none">▪ Membership would entail a £40 annual fee per member▪ Hamilton Harriers would subsidise this fee to the value of £20 per member▪ DH would explore further details of the proposed membership e.g. access for members and guests▪ A meeting of the Cricket Club Committee was scheduled for 11th November▪ Feedback from HH members was generally positive, but it was noted that membership of the cricket club, if it continues to be subsidised by HH would require further funding streams to be investigated |
| 7. DATE OF NEXT MEETING | Monday 30 th November |
